TAKEN TO WASHINGTON.—Detective Tyer returned to Washington yesterday morning from Fairfax, Ala., with the man known as "Rev. Samuel Murphy," who is wanted in Washington and elsewhere on charges of obtaining money by alleged false pretenses. It is stated the real name of the prisoner is Samuel Matthews. He lived formerly at Newburg, Miss., where he taught school. In this section the prisoner, it is said, posed as an evangelist, and held religious meetings. It is charged that he obtained \$125 by securing the indorsement of a certain Mr. Griffin to a worthless check. At Remington he is charged with a similar offense, the complainant being John Breeden, whose daughter is said to have expected to become Murphy's bride. Murphy asserts his innocence. The accused was today held for the grand jury in default of \$500 bond and committed to jail.

PREPARING FOR THE NEW DEPOT.—An important conference between W. H. Brown, chief engineer of the Pennsylvania Railroad, D. H. Barnham, of the Park Commission, and Col. John Biddle, the Engineer Commissioner of the District of Columbia, was held in the office of the latter yesterday. The conference lasted for several hours, and was devoted to the new plans for the union station and terminal facilities for Washington. Colonel Biddle was made acquainted with the plans, and their effect upon the streets, especially in the vicinity of Massachusetts avenue and North Capitol street, was gone over. Property holders and residents in the northeast section are somewhat solicitous about the closing of the streets in this quarter, and the object of the Commissioner was to ascertain exactly to what extent, if any, street traffic would be interfered with.

PERSONALS.—Rev. Father Ahern is slightly indisposed.

The condition of Mr. George A. Andrich, who is seriously ill at his home on King street, continues unchanged.

Mr. James Deaton continues sick at his home on South Patrick street.

Mr. Louis Brill, who has been seriously sick, is thought to be improving.

Mrs. Charles P. Mahood, of Lynchburg, is the guest of her mother, Mrs. Onenewen, on South Washington street.

Mr. and Mrs. J. Edward Shinn last night celebrated the third anniversary of their marriage at their residence, 108 South Columbus street.

Mr. Carl Bohraus is sick at his home, corner of Prince and Royal streets.

Mrs. Kate Johns and daughter are visiting friends in Baltimore.

THE WEATHER.—Was cold again last night, and a thin sheet of ice formed on the river from shore to shore. The mercury in the thermometer fell to 19°.

The steamboats passing up and down soon broke it up, and so far there has been no impediment to navigation.

The steamers which arrived and departed this morning had huge icicles hanging from their paddleboxes and the tenders of locomotives were watered likewise.

The temperature has risen during the day, and from present indications the weather will be mild again by tomorrow.

FINE DISPLAY OF CARRIAGES.—At the Tri-State Exhibition of Vehicles, held at Cincinnati, November 18-23 among many fine carriages on exhibition were some fine vehicles from the factory of the Summers Buggy Co., of Barroeville, Ga., which were equal to any manufactured in this country and held an equal share of the attention of the thousands of buyers. Summers Brothers are Alexandrians, and their many friends here rejoice with them in the success they are attaining in their adopted home.

FIRE COMPANY MEETING.—The regular monthly meeting of the Relief Hook and Ladder company was held last night. Among the matters which came up for consideration was the advisability of the company becoming a part of the Virginia Firemen's Association. The question was discussed and eleven members voted in favor of the union. At the next regular meeting an attempt will be made to obtain an expression of opinion from all the members on the subject.

DR. BULL'S CELEBRATED PILLS cures many ills. One pill a dose. Box, 50 pills, 10 cts. Cure Constipation, Liver Troubles, Biliousness, Dyspepsia, Impure Blood and Poor Blood, Female Complaints, Stomach and Bowel Disorders. Dr. Bull's Pills never gripe. Sold by Richard Gibson and all druggists.

THE HEART OF CHICAGO.—Lincoln J. Carter's thrilling dramatic novelty, "The Heart of Chicago," will be seen at the Opera House Monday. The new play has scored a tremendous success and is said not only to be cleverly constructed but to contain an absolutely new plot and to be the most perfect example of advanced stage mounting on the road. It carries enough scenery to stock half a dozen melodramas of other days.

THE MARKET.—The market this morning presented no new features from those of last Saturday morning. About the same amount of country produce was on the benches and there was no increase in the ranks of purchasers. Prices had not materially varied. In the butchers' and booksters' departments the display was up to the average, and many reasonable articles were on the benches of the latter.

ALLEGED HORSE AND BUGGY THIEF.—D. P. Coleman, of Orange Courthouse, has notified the police department of this city that a man calling himself M. L. Baldwin and claiming to be a United States detective, is wanted in that place on the charge of stealing a horse and buggy on November 27. A description of the man and the property alleged to have been stolen have been furnished the police and they will endeavor to find the offender.

MOTION IN MOLINEUX'S CASE DENIED.—Judge Newberger, of the New York General Sessions, has refused to quash the Molineux murder indictment or to let Molineux's lawyers inspect the minutes of the grand jury. His decision to that effect was handed down yesterday afternoon. The proceedings were begun last month by Weeks & Battle in behalf of Molineux. Arrangement was made for the district attorney by David B. Hill, and for Molineux by ex-Governor Frank S. Black. The motions were based on affidavits by Bartow S. Weeks and David N. Carroll. In his opinion the judge said that the opinions of the judges of the Court of Appeals did not, as claimed, prevent the prosecution from proceeding. If such was the intention of the court, it would have directed judgment for the defendant. Furthermore, alleged information as to what occurred in the grand jury room was insufficient evidence. District Attorney Phillips said he would not be able to bring Molineux to trial and will leave his case to Justice Jerome. He will oppose any effort to get Molineux out on bail.
